<td>(3) * Language, Philosophy &amp; Culture Elective (suggest MCOM 2330 Media Literacy)</td>
</tr>
<tr>
<td>(3) Elective</td>
<td></td>
</tr>
</tbody>
</table>

The above are suggested guidelines for registration. Courses in BOLD are scheduling priorities and must be taken in sequence. Students who prefer a lighter load each semester may take courses offered during the summer sessions. Refer to the website raiderlink.ttu.edu student for updates on course offerings. This plan assumes that the student is exempt from any additional foreign language requirement for the University Core. The last 30 hours of the degree MUST be completed at TTU.

NSCD is a six semester sequenced curriculum. Courses must be taken in sequence as indicated by the pre-requisites and semester offered. Acceptance into the Didactic Program in Dietetics (DPD) at the junior level is based on overall 3.0 GPA, 3.0 GPA in NS courses, and 2.0 GPA in CHEM & ZOOL courses. For more information check http://www.depts.ttu.edu/hs/ns/undergraduate/nutrition_dietetics.php

* Refer to Univ. Core Curriculum Req. for course selection
# Concurrent enrollment is required
** It is highly recommended that students enroll in the the face to face (not the online) section of ZOOL 2404

NOTES
