

Texas Tech University  
College of Human Sciences  
Alumni Association

Dear Friends and Collages,

As we embark upon a new fall season and chapter in the history of this wonderful organization, I want to share with you how excited I am to work side by side with you in lending support to this great institution and university that we are so proud of. What we do, no mater large or small, impacts the students and their experience here at Texas Tech.

This organization is partnering its membership with the well-established Texas Tech Alumni Association. With your donation of \$35, you will receive all of the benefits that the alumni organization has to offer as well as be recognized as a member of the Alumni Association of the College of Human Sciences.

The purpose and functionality of this organization representing the college of human sciences, will serve to support and fellowship with the student body and faculty. We will provide you and solicit your help with opportunities to join us as we lend a hand in hosting homecoming events, graduation receptions, and other activities from time to time. We would love get to know and work with you as we reunite Red Raider friends and faces from the past.

This College of Human Sciences is shaping the lives of these young men and women to do phenomenal things for the future. This University gave to us. Now let's give back to this University. Come join us as we serve, meet new faces, and share stories of being a Red Raider.

Ken Robinson  
RHIM, Class of '90
