

Texas Tech University Dietetic Internship

Titles of Case Studies presented in 2010-11 with nutrition intervention:

Titles of Oral Case Studies:

- Secondary Peritonitis
- Trauma: Stab Wound from farming accident
- Stevens-Johnson Syndrome & Toxic Epidermal Necrolysis
- Diabetic Ketoacidosis, Acute respiratory distress syndrome and Acute Renal Failure in a T1 DM female
- Chronic Pancreatitis
- Intracranial Aneurysm
- Ulcerative Colitis
- Perforated colon obstruction secondary to abdominal body carcinoma with massive fecal contamination, ischemic necrotic colon, and ischemic necrotic small bowel secondary to septic shock
- 56%TBSA burns secondary to oilfield explosion
- Motor Vehicle accident with spinal cord injury
- Meckel's Diverticulum
- Esophageal Cancer with esophagogastrectomy
- 34% TBSA burn secondary to self inflicted injury

• **Titles of Written Case Studies:**

- Celiac Disease
- Ampullary Cancer
- Chronic Kidney Disease and Dialysis
- Chronic Lymphocytic Leukemia
- Acute, Recurrent pancreatitis
- Short Bowel Syndrome
- Nissan Fundoplication Surgery
- Pancreatitis
- Pancreatic Carcinoma
- Multiple Myeloma

Texas Tech University

Titles of Case Studies presented in 2009-10 with nutrition intervention:

Titles of Oral Case Studies:

- Glioblastoma Multiforme with Craniotomy
- Chylothorax
- Closed Head Injury
- Sickle Cell Disease with Respiratory Failure and Ventilator Support
- Hajdu-Cheney Syndrome
- Enterocutaneous Fistula
- Intracranial Hemorrhage with Respiratory Failure
- Respiratory Failure with Ventilation Support with Diagnosis of ARDS, pneumonia, Diabetes Mellitus, hepatitis C and cocaine abuse
- Guillain-Barre Syndrome
- Metabolic Stress and Trauma secondary to motor vehicle accident; A Case Study
- Complete Colectomy secondary to pancolitis with Clostridium Difficile
- Pediatric Burn
- Necrotizing Fasciitis
- Intraventricular hemorrhage 2^o left caudate hemorrhage with respiratory failure and ventilation support

Titles of Written Case Studies:

- Prader-Willi syndrome
- CVA
- Colon CA
- Pneumonia
- Metastatic Colon CA
- Morbidly Obese Pt in MICU
- Diverticulitis
- Chronic Kidney Disease Stage 5: Changing from Peritoneal Dialysis to Hemodialysis Status Post Periumbilical Hernia
- Leg wounds with sepsis
- Ileus vs Small Bowel Obstruction
- Achalasia
- Stage IV Colon CA
- Crohn's Disease
