# MFT DOCTORAL CURRICULUM

**STUDENTS ENTERING THE PROGRAM (FALL 2015)**

## USUAL COURSE SEQUENCE

Doctoral degree: students usually take 9-12 hours a semester and 6 hours during the combined Summer I and II sessions. Students entering with a master’s degree from an accredited MFT program may be excused from all or most of the Standard Curriculum (Masters level courses). Course transfers are done on a course-by-course basis, as evaluated and approved by the instructor for the course. When a student is not eligible for exclusion from one or more of the above listed courses, the student will be required to take these classes and some modification may be necessary to follow the course sequence listed below. Students are encouraged to discuss the most appropriate course sequence with their advisor.
