

Ark Financial Financial Advisor Career Opportunity

Are you a proactive, assertive, take charge kind of person? Do you find yourself constantly setting goals for the future and enjoy moving forward to attain those goals? Is your communication style straightforward, factual, and no nonsense? If you appreciate working in an environment that allows for independence, freedom, and change we'd like to talk to you about joining our Business Development team.

Who we are:

Ark is committed to Greatness. We utilize a four-phase comprehensive approach to tax planning that is not only more efficient than what is found anywhere else in the industry but allows us to be a relationship-centric firm. By working as a united front we focus on impact by empowering our clients to make the best financial decisions possible in order to help them build the future of their dreams. Our team's innate sense of service and entrepreneurial spirit drives us to set goals that we consistently outperform, exceeding client expectations.

The Business Development Team:

The Business Development team is driven by results. Its members set the bar high on client services and excel at building referral relationships, communication, and closing the deal with prospective clients. They intuitively operate with a sense of urgency and accountability that gives them the independence to network, market, and create long lasting relationships on their own schedules.

Who you are:

Ark's Business Development team is looking for like minded individuals that are searching for growth, opportunity, and challenge. For those who want to empower others to build a better future, thrive in an environment with limited supervision, and are, like us, committed to greatness.

If you feel you're up for the challenge of joining the team and are eager to start your career please apply. We look forward to hearing from you!
