

Executive Management Fast-Track

New York Life Insurance Company is seeking PFP Master's candidates to become part of our Fast Track Management program. We are interviewing leadership-oriented individuals who meet the aforementioned criteria.

A New York Life Manager's responsibilities include the successful recruiting and development of a team of financial professionals, and would enjoy:

- Comprehensive professional training & development
- Generous benefits package, including health, dental, a defined benefit pension plan and 401k (subject to qualifications)
- Significant income potential
- Tuition reimbursement program for certain advanced, professional designation courses
- A variety of career path opportunities
- The opportunity to work for a Fortune 100 company

By joining New York Life as a Manager, your ability to become promoted to a Senior Partner or Managing Partner is determined based upon specific, measurable metrics and objective criteria.

Preferred but not required:

- Life and Health License
- FINRA registrations; Series 6 or 7 and Series 63
- Previous sales experience

If you are:

- Highly motivated
- Results oriented
- A strong communicator
- Organized
- Seeking a rewarding and challenging career

We would like to learn more about you.
