## **Internship Opportunity W/Possibility of Full-Time Offer Following Residency**

**Location:** Richardson, TX

**Range:** Flexible but ideally from the start of June to Mid-August.

**Hourly Rate:** \$12/Hour

**Worktime:** 30 Hours/Week (May be more if project workload demands it)

**Description:** We are offering the opportunity to have an active role in the transition from a small franchise group to a large franchise group. This means taking on a multitude of projects that will give you experience in the various components of the financial services industry. We anticipate this internship experience revolving around two main projects – a planning software project and a compliance project. Other miscellaneous projects will be assigned as needs/circumstances arise. Additionally, you will get the opportunity to sit in on client meetings and observe.

**Requirements:** The ideal candidate has gone through the technology course and had experience with MoneyGuidePro, NaviPlan, & Salesforce. Not having experience with these software packages does not disqualify you!

**If interested, please reach out to the email above with your resume attached. Interviews will be held in person on Campus. Those who make it past the first round will have a second interview via phone call with one of the lead Advisors from the office in Richardson.**
