Cantrill Financial Group LLC is seeking a service oriented Junior Advisor eager to learn and grow with the company:

**Role:** The Junior Advisor help clients achieve their financial objectives in an effective and ethical fashion and promotes the business to prospects while positively representing the organization.

**Duties and Responsibilities:**
- A Junior Advisor provides outstanding service and care for the needs of existing clients.
- A Junior Advisor shall obtain all required licenses and commit to embracing the principals of the financial planning process.
- A Junior Advisor must work collaboratively with administrators and learn the operations and procedures of the firm.
- A Junior Advisor attends training sessions and shadows senior advisors in client meetings.
- A Junior Advisor must learn how to embrace professional prospecting and serve the community.
- A Junior Advisor travels to learn or advance their career;
- A Junior Advisor will be proficient in all firm software and under guidance learn how to develop financial plans.

**Qualifications:**
- Education: I am looking for a new advisor with a bachelor’s degree. Major can be flexible although training in finance, economics, or psychology would be preferred.
- Skills: Please be comfortable using various forms of technology, software, and social media. Knowledge of Microsoft Office is expected.
- Abilities: I am looking for a self-starter who knows how to think critically and prioritize time well. A great communicator who is driven by service and lifetime learning. An entrepreneur who sees the big picture and embraces a vision of growth.
- Experience: Experience is preferred, but not required to obtain this position.

**Salary and Benefits:** Income will be combination of base salary and advisory earnings. Overhead and marketing support is provided by the company. Group health insurance is available through the company. If interested in learning more about this opportunity, please forward a resume to bcantrill@cantrillfinancialgroup.com Attn: Brad. Preferred applicants will be contacted for an interview.
