Highly energized and confident individual who will thrive in a busy environment. Candidate must be extremely professional in appearance and manner, willing to accept direction, quick to learn new things, and computer savvy. Superior phone, analytical, and computer skills required.

Ideal Candidate Characteristics:

- Obsessed with delivering a “wow” experience for clients
- Servant-hearted
- Outgoing and energetic
- Organized and detail-oriented
- Fluent in sarcasm and chop-busting
- Technologically inclined
- Great communicating with clients on the phone
- Overall cool person
- Adaptive and able to work in a fast paced and changing work environment
- Self-starting
- Goal-oriented

Essential Duties and Responsibilities (Additional duties may be assigned):

Paraplanner

- Works under wealth advisors and executive management to service clients
- Ability to organize and manage client information and paperwork, particularly financial planning documentation
- Provides operational support, usually to multiple financial advisors,
including preparation of reports and other materials for client meetings

• Focus on ongoing client engagement, including ongoing client contact, follow through and follow up on team commitments to client, client communications, meetings, and assisting with the on-boarding process
• Works collegially and productively with peers and other team members
• Commits to grow and increase level of knowledge related to wealth management
• Commits to ongoing growth of all skill sets and competencies needed to serve client, firm, and individual success
• Maintains familiarity with industry and economic trends and applies knowledge to client service and relationships
• Learns, maintains knowledge of, and shows ability to apply compliance standards
• Represents the firm’s strategic brand and the team service concept
• Completes projects assigned by executive/professional tier as needed
• Performs general administrative and support functions for primarily the Weatherford office (while providing support to Fort Worth Office), including maintaining files, preparing paperwork, running reports, answering telephones, scheduling appointments, returning calls, copying materials, faxing, and shipping documents
• At times will handle scheduling of meetings with clients and vendors for advisors
• Organizes, coordinates, and maintains all client paperwork both physically and digitally
• Meets with advisors to review meeting deliverables when preparing for client meetings
• Ensures paperwork is completed and signed by advisors
• Corresponds with clients to complete new accounts, asset transfers, and other administrative forms
• Handles routine matters for client accounts, including processing name and address changes, account applications and bank authorizations, answering administrative client questions via telephone and face to face
• Researches and resolves client service issues by contacting Broker/Dealer, custodian and sponsor companies to resolve as needed
• Directs and screens client inquiries for advisors (received via phone calls, fax, e-mail and office visits)
• Proactively contacts clients when changes are occurring with their accounts (i.e., rider fees are increasing, incoming account transfers, withdrawals)
• Documents client contact in CRM and appropriate files
• Places trades or reallocates investments in client accounts, per advisor instruction only
• Reviews and edits advisor notes
Core Competencies

- Knowledge of financial services (or ability to learn financial services industry) and ability and willingness to expand knowledge range
- Ability to assist in and contribute in the development of all aspects of client services and the wealth management process
- Clear communication skills, particularly in explaining financial principles and concepts
- Ability to seek appropriate resources with the firm to help with and expand ability to deal with client situations
- Exhibits self-confidence, self-esteem, and self-awareness
- Ability to be flexible and adaptable to change
- Be approachable, respectful and reveal inclusive communication
- Set and model high performance standards

Language Skills:

Ability to read, analyze, and interpret general business periodicals, professional journals, technical procedures, or governmental regulations. Ability to write reports, business correspondence, and procedure manuals.
