Geography: Use the world map provided to complete the activities:

1. Locate the following countries in Europe and color each a different color.
   - Germany
   - Sweden
   - Italy
   - Ireland
   - England
   - Austria
   - Poland
   - Greece
   - Romania
   - Armenia
   - Norway
   - Russia
   - Ukraine
   - Hungary
   - Denmark

3. Draw a map legend at the bottom of the map to create a color-coded key for the countries.
4. Label the Atlantic Ocean.
