How to check your waitlist position

Use this help guide to determine your position in “line” for a course for which you are waitlisted.

Note: Color/Appearance variations in these instructions are due to our development/testing system environment. Please disregard these.

Step One: Click on “View Registration Information.”

Step Two: Select the term to view your schedule for that semester.

Step Three: Click on “Schedule Details” directly above the grid view of your schedule.

Step Four: Click the right-facing arrow next to the course for which you are waitlisted.
Step Five: View the class information, including your waitlist position in the course.
