GB19 GENERAL INFO

Thank you for your interest in auditioning for the award winning Goin'Band from Raiderland. As a potential member of Goin'Band, you are invited to share in the "Foot and a Half" experience which is guaranteed to each member who earns a position in the band. This represents your place in the band that is the oldest and largest student organization on campus. There is no limit to how many students are accepted into the program, but there are musical and visual expectations associated with the selection process. The Goin'Band seeks students who are actively engaged in making positive contributions through music and service.

MUSIC: WOODWINDS & BRASS

Goin'Band is a music ensemble that also supports school spirit at athletic and other university events. Great value is placed on your musical contribution. Please make every effort to prepare the assigned music audition excerpts to ensure success. Audition music will be available on the website beginning June 1, 2019.

1. The music component is 60% of your overall audition.
2. Auditions are not blind. School of Music faculty and/or a designated graduate student will adjudicate your audition.

VISUAL COMPONENT: WOODWINDS & BRASS

Four optional instructional camps will be offered this summer to provide all potential members an opportunity to learn the Goin'Band marching techniques before summer band. These include a combination of traditional high step (Tech Step) and corps-style technique.

1. The visual component is 40% of your overall audition score.
2. Graduate assistants and student leaders will evaluate all visual auditions.

Audition results will be posted ASAP after the auditions are concluded.

INSTRUMENTS

Piccolos (you may play your own piccolo), Mellophones (adaptors are provided but you will need a personal horn mouthpiece), Trombones, Baritones and Sousaphones will be available on the first day of summer band. There is a \$25 rental fee for school owned instruments. Additional information can be found on the Equipment Needs Check List.

PERCUSSION

Prospective drumline members must attend the general Goin'Band and percussion meeting on August 17th. Following the meeting, equipment will be made available for audition preparation. Audition music and information will be available early in June. Music auditions are heavily weighted. The audition will also include a basic marching assessment.

COLOR GUARD & TWIRLERS

Color Guard and Twirlers must attend the general Goin'Band meeting on August 17th. Review the General GB19 Schedule.

INTERESTED IN AUDITIONING FOR COURT JESTERS?
