Texas Tech University School of Music

William L. Ballenger, Director

Box 42033, Lubbock TX 79409-2033

(806) 742-2270

Associated Voice Scholars of the Texas Tech University School of Music was established in the Fall Semester of 2004. Its purpose is to elevate the standards of Voice education through research and inquiry, as endorsed and supported by the TTU Voice Faculty. Proposed activities of this organization shall include, but are not limited to, guest artist events, lectures, master classes, voice clinics, new student hosting & recruitment, and vocal music business events. Associated Voice Scholars is an independent organization that operates as a group within the School of Music at Texas Tech University and in the university community at large.

Membership Benefits:

- Free admission to all AVS events
- 10% discount on AVS media sales
- Professional Association Resumé / Curriculum Vitae Credit
