STUDENT AGREEMENT

AS A STUDENT APPLYING FOR ADMISSION TO TTUISD I UNDERSTAND THAT: TAKS/TAAS: I should take the TAKS/TAAS test in the appropriate grade level and I must pass the exit level TAKS/TAAS for graduation. I understand that I must arrange for TAKS/TAAS testing (call TTUISD at 1.800.692.6877, ext 243, for information. STUDENTS WITH DISABILITIES: The Texas Tech University Division of Outreach and Distance Education K-12 curriculum used by TTUISD students is distance-delivered course material developed to meet the standards of the State of Texas and the Texas Education Agency. Written by Texas certified teachers for average and above average students, this material is very reading and writing intensive and the course content cannot be modified. Please note that distance education presents different challenges from traditional classroom based instruction. TTUISD staff can provide you with information about available accommodations before you are officially admitted to TTUISD or enroll in a course if you provide us with documentation about the nature of your disability and the kind of accommodation that your disability requires when you contact us. This documentation should accompany this admission form. Reasonable accommodations are those that do not cause undue burden and do not fundamentally alter course requirements. We require the submission of a current (within the last three years) signed accommodation/modification statement from your Admission, Review, and Dismissal (ARD) committee report or a 504 Accommodation Form from the public school district in which you reside, describing any special considerations necessary for you to take a course and/or exam. FULL TIME STUDENT STATUS: In order for TTUISD to verify that you are enrolled as a full-time student for meeting compulsory attendance laws, for receiving Social Security benefits, for driver's education and license renewal, or to obtain a student identification card, you must be enrolled in four one-semester courses at all times in grades 6-12 or one semester of the elementary curriculum for grades K-5 which is four one semester courses. In addition to being enrolled in the necessary courses, you must successfully complete 8-10 lessons per month in grades 6-12 and be making satisfactory progress in grades K-5. NCAA: If you are applying for or receiving a collegiate athletic scholarship, it is your responsibility to contact the NCAA regarding the core curriculum requirements. RELEASE OF GRADE INFORMATION: ODE policy and applicable law governing the release of student education records permits ODE to release grades for students under 18 years of age to the students' parents or legal guardians without requiring student permission. However, a student 18 years of age or older must grant permission for ODE to release grades to parents or legal guardians. In addition, ODE policy and applicable law permits ODE, without prior consent and regardless of age, to release a student's grades to a requesting school if the student is enrolled in or transferring to the requesting school. TRANSCRIPTS: I also agree that, in order for TTUISD to send a transcript, I must complete at least 4 semester courses (not CBEs). LESSON SUBMISSION: I acknowledge that, if I submit lessons assignments via e-mail, I agree to receive the resulting grade via e-mail. GRADUATION: I understand that I must complete the last 2.5 credits full course, excluding CBEs, while enrolled in TTUISD in order to receive a Texas Tech University High School diploma. I certify that this information is complete and correct to the best of my knowledge. I agree to abide by Texas Tech University's policies, rules and regulations. I authorize the University to verify the information I have provided. If applicable, I also authorize the University to electronically access my Texas Success Initiative (TSI) information.
