Work Order Request

1. Click on this link, http://tmaisd.operations.ttu.edu/
   This will take you to the page you see below.

2. You will need to use the drop downs to select the correct Facility and Building.
   Physical Plant, CHACP1, Grantham and so forth

3. This will take you to the following page.

4. Please enter all information you can provide. This will assist the IT team in determining exactly what is needed.
   IE. Adobe or Java needs updating, the computer crashed while _____. Details are imperative in the Request area and will help expedite the work order. The IT team doesn’t always have to go out to the computer. We have the ability to remote into computers in order to fix or update certain things for you.
