Technology Tip: Interactive Monitors

Many Raider Rooms offer interactive technology, such as touchscreens and styluses. These technologies can be used to enhance your classes with the ability to write or draw over PowerPoint presentations, Skype for Business calls, or with software like Open Sankoré. Open Sankoré allows you to use the monitor as a digital whiteboard with the ability to create and save multiple pages.

The following rooms are equipped with interactive technology:

Building	Room
Ag Science	214
Holden Hall	028, 033, 038, 104, 106, 109, 111, 127, 154, 155, 225, and 255
