

# RAIDERROOMS

April 2021 Edition

e-newsletter of the Raider Room Project

## Semester Coming to an End

The semester is almost over and we all made it through a challenging time with COVID-19. Thank you for pulling together and making the best out of a difficult situation. Your students appreciate how you were able to adapt for such a time. We look forward to serving together in the Summer and Fall classes.

## Dry Erase Markers

We are happy to provide Dry Erase Markers for instructors to use in our Raider Rooms. As each Raider Room is audited once a week, we test each marker and ensure that four black dry erase markers are in the room. To help make sure markers are available for the next instructor using the shared Raider Room, please remember to keep the markers in the Raider Room. We appreciate your help.

English 0001

## Lost and Found

All lost and found items will be removed from the Raider Rooms at the end of the semester. Please remember to take any items you have in your classroom as they will be removed to the TTU Police Station or if seen as trash will be recycled or thrown away. Please let your students know so they can pick-up their forgotten items.

## Raider Room Maintenance

During our audits we check on a various items in the room. However, as you use these rooms for several hours a week we would appreciate any contact regarding broken items, technology challenges, etc. to better serve our instructors and students. Please feel free to contact us at [operations.raiderrooms@ttu.edu](mailto:operations.raiderrooms@ttu.edu)
