Summer Room Renovations

We have more room renovations going on this summer! Currently, we’re renovating Holden Hall 006, 075, and English and Philosophy 001.

Check out some of the changes we’re making to the rooms! Click here for more information!

Have a question about Raider Room technology?

If you have any questions about technology in your Raider Room, you can contact CTS. If you would like a demonstration of the functionality of the hardware/software, CTS is happy to schedule you a one-on-one training session with one of their technicians. Their contact information as well as the link for their website is listed below.
