

RAIDER ROOMS

e-newsletter of the Raider Room Project

RAIDER ROOMS LOCKED

Raider Rooms will return to a locking schedule starting Thanksgiving Break.

If you are an instructor in a Raider Room and need access to the room you have been teaching in your Raider ID card will still have access to that classroom.

Academic Room Capacities

Classrooms capacities have changed and reduced for 2021 Semester to meet the COVID-19 needs. The Registrars office and OPDA have been working together to ensure student, faculty and staff safety while providing a healthy learning environment.

Raider Rooms Distance Learning Capabilities

All 65 Raider Room have been equipped with some distance learning technology. This may include with web cameras, document cameras, and both synchronous and asynchronous capabilities.

Lost and Found

Any lost and found items that were left in Raider Rooms will be picked up after Thanksgiving Break and sent to the TTU Police Department.
