New Raider Rooms

We have three new Raider Rooms. Over the course of Spring and Summer 2018, Holden Hall 006, 075 and English & Philosophy 001 were renovated and turned into Raider Rooms. Each room received new furniture and an updated technology package. For more information about the renovations, please click [here](#).

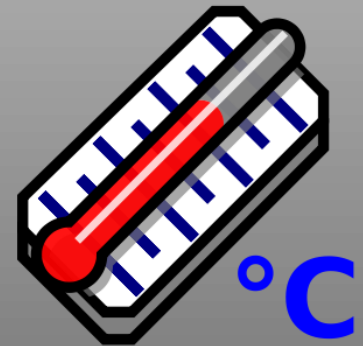

Technology Tip: Mediasite & Video Recording Studio

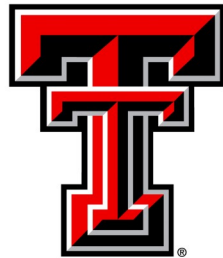

The Teaching, Learning, & Professional Development Center has many helpful programs for faculty. One of those programs is the Mediasite & Video Recording Studio. Lectures and presentations can be recorded for online classes and other events.
