New Raider Rooms!

Two rooms have been recently renovated and are available for this Fall 2019 semester. Chemistry 107 and Mechanical Engineering South 205 were recently renovated over the Spring/Summer sessions. Both rooms received a complete overhaul with new furniture and technology.

Powered Seating!

Media and Communication 353 now has powered furniture! Over the Summer 2019 session, power modules were installed in the seating. Students will now be able to charge their devices during classes or events. Each module has two power outlets for students. The power modules are affixed to the beam between the tablet arm seats.
