Section 2: Optional Details

The following questions will assist us in planning the microcredential. You may provide draft or incomplete responses at this stage. You will have an opportunity to update your answers for the Microcredential Proposal.

Who is the audience for the microcredential? <i>Current undergraduate or graduate students? Alumni? Faculty or staff? Community members? Employees of a specific community partner?</i>
Why will learners want to earn this microcredential? <i>How will the microcredential help the earner acquire in-demand skills and knowledge?</i>
How will learners earn the microcredential? <i>What criteria must be met? This may include requirements, such as mandatory courses or trainings, and it may also describe any required assessment.</i>
Describe any additional details, considerations, or questions you have about the microcredential.

You may also provide a syllabus, course expectations, or schedule, and a CV or bio explaining instructor qualifications, or any rubrics or additional documents as needed.
