**DATE:** February 27, 2006

**PURPOSE:** The purpose of this Operating Policy/Procedure (OP) is to ensure understanding and standardized procedures concerning KTXT-FM radio.

**REVIEW:** This OP will be reviewed by March 1 of every even-numbered year by the vice president for student affairs.

**POLICY/PROCEDURE**

KTXT-FM is licensed to Texas Tech University as a non-commercial, educational radio station and is a unit of the university's Department of Student Media. KTXT-FM operates at 88.1 MHz with an effective radiated power of 35,000 watts, serving Lubbock and the contiguous area of the South Plains. KTXT-FM is the official student radio station to serve as a public forum for the campus community of Texas Tech University while providing practical experience for students majoring in various aspects of mass communications or other disciplines. Funded by underwriting and student services fee allocations, KTXT-FM is an independent media that seeks to fulfill the functions of any mass medium – to inform, educate, and entertain the listeners while providing quality professional job experience for student managers and disc jockeys. KTXT-FM is managed and staffed by students and a broadcast adviser through the director of Student Media.
