POLICY/PROCEDURE

1. Equal Employment Opportunity

   a. Policy

   TTU does not tolerate discrimination or harassment of any employee or applicant for employment because of race, color, religion, sex (including pregnancy), sexual orientation, gender identity, national origin, age, disability, genetic information, status as a protected veteran, or any other legally protected category, class, or characteristic. Employment actions such as hiring, promotion, demotion, transfer, rate of pay, or other forms of compensation, selection for training, and termination shall not be made based on an employee’s protected status. Discriminatory behavior is prohibited regardless of the manner in which it is exhibited, whether verbally, in writing, or electronically displayed or conveyed.

   Discriminatory behavior is prohibited by this policy, as well as by federal laws such as Title VII, which prohibits discrimination in employment, Title IX, which prohibits discrimination on the basis of sex in education programs or activities, the Equal Pay Act, the Age Discrimination in Employment Act, the Americans with Disabilities Act, the Rehabilitation Act of 1973, the Civil Rights Act of 1991, the Vietnam Era Veterans’ Readjustment Assistance Act of 1974, Title II of the Genetic Information Non-Discrimination Act, and state laws such as Chapter 21 of the Texas Labor Code. The university expects all members of the University Community to comply with the law.

   b. Complaint of Discrimination

   Pursuant to OP 40.02, Non-Discrimination and Anti-Harassment Policy and Complaint Procedure for Violations of Employment and Other Laws, and 40.03, Sexual Harassment, Sexual Assault, Sexual Misconduct, and Title IX Policy and Complaint Procedure, employees may file a complaint pertaining to allegations of discrimination, harassment,
and adverse employment actions believed to have been taken on the basis of the employee’s protected status with the TTUS Equal Opportunity Office. The complaint procedures set forth in OP 40.02, Non-Discrimination and Anti-Harassment Policy and Complaint Procedure for Violations of Employment and Other Laws, and 40.03, Sexual Harassment, Sexual Assault, Sexual Misconduct, and Title IX Policy and Complaint Procedure, are applicable to all employees whether staff, faculty, or student. Complaints of discrimination by applicants for employment may be filed directly with the TTUS Office of EO. Pursuant to Texas Education Code, Section 51.971, the Office of EO conducts investigations to ensure the institution’s compliance with equal opportunity laws and regulations and institution policies regarding ethics and standards of conduct.

c. Non-retaliation Policy

Retaliation against a person who files a complaint of discrimination or harassment, opposes a charge, testifies, assists, or participates in an investigative proceeding or hearing is strictly prohibited.

d. Training

Pursuant to state legislation, all new employees must attend non-discrimination training within the first 30 days of employment and receive supplemental training every two years. This training includes Sexual Harassment Prevention Training. Employees are required to sign a statement that verifies attendance at this training. The university will maintain records of attendance at the training for each employee.

Employees are informed of the TTU EO policy through new employee orientations; compliance EO training sessions; operating policies, which are available online; the Faculty Handbook; and the placement of EO federal and state posters at various locations throughout the campus. Information about the TTU EO policy can also be obtained from the TTU Office of Human Resources and the TTUS Office of Equal Opportunity.

2. Affirmative Action Program

a. As a federal contractor, TTU has implemented and maintains an Affirmative Action Program as required by Executive Order 11246.

b. TTU is committed to building a diverse workforce and community. In order to achieve this goal, the institution takes affirmative action as required by Executive Order 11246 to hire and advance qualified minorities and women, as well as individuals with disabilities and protected veterans.

c. The TTUS Office of Equal Opportunity oversees the institution’s Affirmative Action Program to ensure that the institution’s equal employment opportunity policies, practices, and procedures are followed and in compliance with federal and state law.

d. The Office of EO prepares TTU’s written affirmative action plans annually and reviews the AAP to measure effectiveness of the institution’s compliance efforts. Based on a number of quantitative analyses, the AAP evaluates the composition of the workforce compared to the available labor pool and identifies any areas where minorities and women may be underrepresented in the workforce. The institution will develop action-oriented
programs designed to correct any problem areas and will make good faith efforts to provide equal employment opportunity.

e. The Office of EO will work closely with top-level administrators (President, vice presidents, deans, directors, department chairpersons, and other supervisory personnel) to coordinate affirmative action efforts and, when appropriate, to establish goals and objectives, and to expand outreach in order to ensure effective implementation of the institution’s Affirmative Action Program.
