OP 52.02: Infringement of Copyrights in Information Technology (IT)

DATE: October 12, 2017

PURPOSE: The purpose of this Operating Policy/Procedure (OP) is to establish policies regarding the infringement of copyrights with respect to information technology at Texas Tech University (TTU).

REVIEW: This OP will be reviewed in November of even-numbered years by the Assistant Vice President(s) for IT, the IT Policy and Planning Officer, and the Office of the General Counsel who will recommend substantive revisions to the TTU Chief Information Officer (CIO).

POLICY/PROCEDURE

1. TTU prohibits the unauthorized copying, adapting, electronic transmission, presentation, and/or use of computer software, applications, and multimedia materials, as well as computerized and non-computerized data without appropriate written consent.

2. Use of TTU information resources* is governed by all applicable TTU policies, Texas state, and U.S. federal law concerning copyright, including provisions in the Digital Millennium Copyright Act (DMCA.) For details on the educational use of copyrighted works, see OP 30.22, Guidelines for the Educational Use of Copyrighted Works.

3. Violations are grounds for loss of privileges and/or disciplinary action, up to and including termination. Violations may be reported to the appropriate local, state, and/or federal authorities.

4. The TTU CIO has final authority on all TTU IT-related issues, including exceptions to existing IT policies.

5. Right to Change Policy

Texas Tech University reserves the right to interpret, change, modify, amend, or rescind this policy, in whole or in part, at any time without the consent of employees or students.

* As defined by Texas Government Code §2054.003(7)
