

Chapter 12 -- Honorifics and Seals

12.01 **Retiring regents, chancellors, and presidents recognition.** In awareness of the years of dedicated service rendered by retiring members of the board, chancellors, and presidents, the TTU system will present to each retiring regent, chancellor and president an appropriate and distinctive symbol of recognition. This symbol will be presented at an official dinner honoring regents, chancellors, or presidents on or about the time of retirement from office.

12.02 Awards and Recognitions

12.02.1 **Infinito Horizonte Award.** The Infinito Horizonte Award is the highest award bestowed by the board and the Texas Tech University System. It may be bestowed upon an individual (alumnus, non-alumnus, faculty member, staff member, or administrator) who has significantly broadened the horizons and excellence associated with the TTU system.

- a. The award will be presented on an occasional, rather than a regular, basis and will include consideration of such factors as:
 - (1) A record of commitment to securing significant financial support for the TTU system;
 - (2) A demonstrated participation in the affairs of the TTU system that reflects a deep personal commitment to the mission and purpose of the TTU system over a sustained period of time;
 - (3) Heroic efforts above self in the attainment of national and international recognition for the TTU system; and
 - (4) Recommendation of the TTU system Board of Regents.
- b. The award will be funded by the Chancellor's Council and will be an appropriate and distinctive piece of crystal, the

transparent qualities of which are symbolic of endless horizons.

12.02.2 **Distinguished Service Award.** A Distinguished Service Award may be presented by the board to individuals in recognition of distinguished contributions to the TTU system in support of teaching, research, or public service programs.

12.03 **Plaques commemorating ex-chancellors and ex-presidents.** Ex-chancellors and ex-presidents of the TTU system administration and the component institutions shall be recognized by the permanent installation of plaques noting the contributions of each during the individual's tenure in office. This policy does not apply to interim chancellors or interim presidents. The following guidelines are established for carrying out this tradition.

12.03.1 **Style.** Each plaque will bear a likeness of the chancellor or the president, the term of office, and a brief account of the significant contributions made by that individual's administration. As far as possible each plaque will conform to the style of previously-installed plaques.

12.03.2 **Historical perspective.** A period of five years must elapse between the time of a chancellor's or president's leaving office and the preparation of plaque copy in order that each plaque will reflect a proper historical perspective.

12.03.3 **Historian selection.** Qualified historians are to be selected to prepare the text for the plaques.

12.03.4 **Board approval.** The board will approve the text, the installation of each plaque, and its proposed location.

12.04 **Honorary degrees**

12.04.1 **Guidelines.** Honorary degrees may be conferred for public service, scholarship, or other contributions in the public interest.

- 12.04.2 Eligibility. No person employed by the TTU system at the time of the award will be considered for an honorary degree.
 - 12.04.3 Nominations. Nominations for honorary degrees may be made by faculty, students, staff, or members of the board.
 - 12.04.4 Nomination evaluation. Nominations will be evaluated by an advisory committee appointed by the president, with administrative, faculty, and student representation, and recommendations will be made to the president.
 - 12.04.5 Recommendations and authorization. Honorary degrees conferred by the component institutions must be recommended by the president to the chancellor and authorized by the board.
 - 12.04.6 Chancellor's duty. The chancellor will inform the board of nominations at least one month prior to the board meeting when candidates are scheduled to be considered for approval.
 - 12.04.7 Award. Honorary degrees will be awarded at commencement.
- 12.05 **Schools, colleges, centers, institutes, and other naming not a facility or gift related naming.** Naming of schools, colleges, centers, institutes, and other academic or administrative units or programs not specifically addressed in Sections 06.06 or 08.05, *Regents' Rules*, must receive final approval from the board before said designation can be announced.
