Compensatory Time

TTU and TTUS staff employees in a full-time non-exempt (semi-monthly paid) employee class accrue compensatory leave time when the number of hours worked in the FLSA work week (Sunday – Saturday) exceeds 40 hours. All hours worked during the work week will be paid out at the regular rate and the employee will accrue the ½-time portion as compensatory leave time.

Available compensatory leave time hours should be taken no later than the April 1st-15th pay period. The end of the accrual period is March 31st. The following reports are available in Cognos to help departments in monitoring an employee's Comp Time balance:

HR030 Employee Current Leave Balances | This report provides employee(s) leave balances and there is an option to select individual leave code(s) to view current balances.

HR207 Estimated Comp Time Expense | This report can be run by ORGN or by FOP and will show the available hours and estimated salary expense for all active employees with a Comp Time balance. All applicable fringes will be charged in addition to the salary expense included on this report.

Both reports are current as of the date the report is run but the hours do not include any manual leave adjustment forms or timesheets that have not been processed.

2020 Form W4 Information

The Internal Revenue Service (IRS) has released an updated 2020 Form W-4. The IRS has also updated the online Withholding Calculator that can be used to confirm the correct amount of tax is withheld from your paycheck. We encourage you to review your withholding this year because of the recent changes to the tax law. If you determine that your Form W4 does need to be updated, please submit the completed form to your respective Human Resources office.

State Income Tax: Texas does not have state income tax withholding. However, we do withhold deductions and report for residents of other states who we employ. If you are hired while residing in another state, be sure to update your address on your Form W4 if your residency status changes. Several states use the federal Form W4 for state income tax withholding elections and the state in the address section on the Form W4 may result in state income tax withholding.
Summer Insurance Premium

TTU 9 Month Faculty Members Enrolled in Insurance, who do NOT have a 12 month spread: To ensure there is no lapse in coverage during the summer, your “out of pocket” insurance premiums will be pre-deducted from your April 1st, May 1st and June 1st paychecks. These are automated deductions, therefore no action is needed by you. Email notifications will go out the first week of March. If you have any questions please send an email to webmaster.payroll@ttu.edu.
