

TEXAS TECH UNIVERSITY

Bob L. Herd Department
of Petroleum Engineering™

Petroleum Engineering Research Building

Naming Opportunities

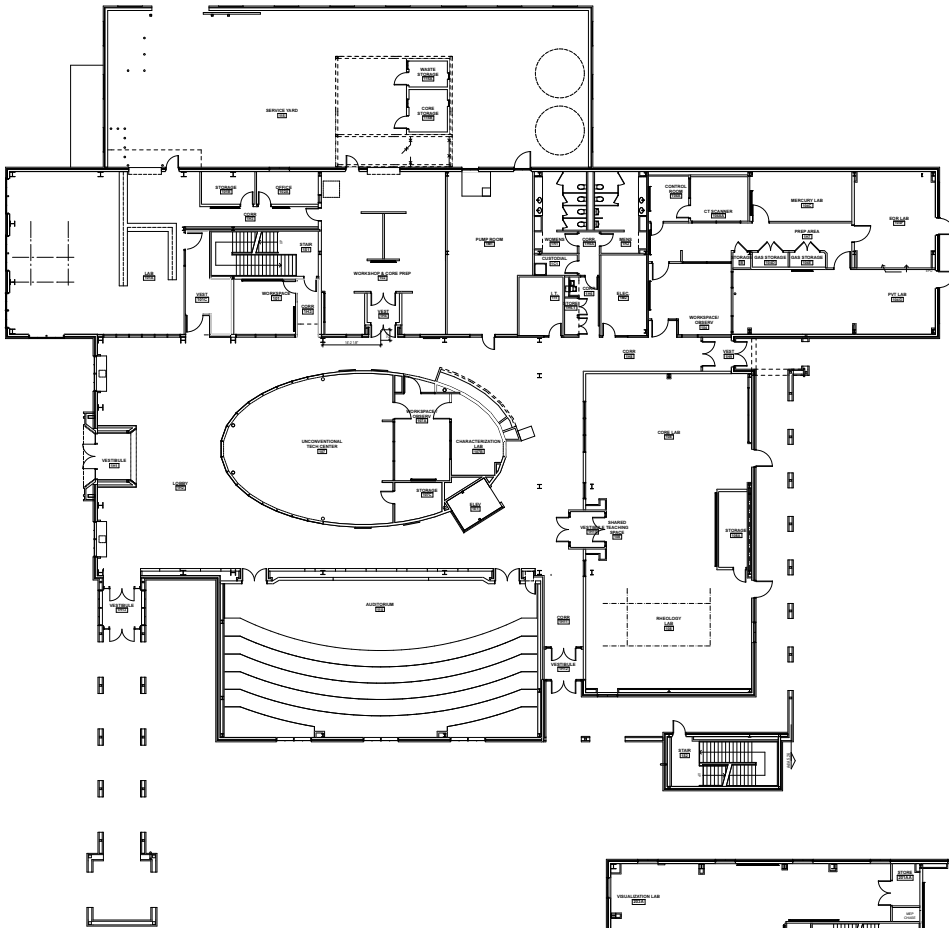

Area	Naming Amount or Donor Name(s)
Naming of the Building	Not Yet Announced
Upstream Research Center: A Visualization Laboratory	Apache
Enhanced Oil Recovery Laboratory	Occidental Petroleum
Unconventional Technology Center	Anadarko
Reservoir and Drilling Simulation Center	Chevron
Pressure Volume Temperature Laboratory	Pioneer Natural Resources
Herald Winkler Auditorium	Terry and Linda Fuller & James and Becca Edmiston
Student Lounge	Linn Energy
Courtyard	David G. Wight
Conference Room	Stephen and Andra Heitzman
Conference Room	Walter Exploration Company
Department Chair Suite	Harvey L. Ratliff, Jr.
Faculty Office	Byrd Operating Company
Faculty Office	Gary L. Stone Family
Faculty Office	Heidi and Jason Hillard Family
Core and Rheology Laboratory	\$2,000,000
Fracturing and Production Laboratory	\$1,500,000
Mercury Lab	\$1,500,000
Shale Formation Wall	\$1,000,000
Flat Classroom	\$1,000,000
Tiered Classroom	\$1,000,000
Second Floor Conference Room	\$50,000
Faculty Offices (11 Available)	\$50,000
Student Work Study Room (3 available)	\$25,000

All namings must be approved by the Texas Tech Board of Regents.
