Mathematics

MATH 2300 *Statistical Methods* _____

Nutritional Sciences (Enter the last 3 digits of course to list which course taken)

NS 1__ *Nutrition, Foods, and Healthy Living (1325) or Nutrition (1410)* _____

Psychology

PSY 1300 *General Psychology* _____

II. Personal Statement

Attach a personal statement describing how you believe you would benefit from participation in this pre-nursing mentoring program. The statement must be typed, double-spaced, minimum 10 point font, and maximum one-page length.

III. Applying to HSC Nursing Program

If you are applying to the BSN Nursing Program at the TTUHSC School of Nursing this November-January, you are **NOT** eligible to apply to the mentor program for the Spring 2015 semester.

III. Registration in IS 3110

IS 3110 Seminar in Health Professions is a pre- or co-requisite for participation in the mentoring program.

Pre-Nursing Mentoring Program Description

The pre-nursing mentorship program is a unique experience where a TTU undergraduate student pursuing admission to nursing school will be paired with a TTUHSC nursing student who will act as a mentor. This up-close look at life in nursing school will allow the pre-nursing student to have confidence in their commitment and provide valuable material for the critically important essay portion of the nursing school application.

The mentor/mentee experience will include:

- Each pre-nursing mentee will be paired up with a nursing student mentor.
- Each mentee will attend at least two classes involving different courses with their mentor on days that work best for the mentee/mentor pair. The mentors are encouraged to take their mentee to more classes if possible.
- The mentors will provide advice about the nursing school experience and answer questions the mentee may have.

IS 3110 *Seminar in Health Professions* is a pre- or co-requisite for participation in the mentoring program.

The completed application is due in the Pre-Professional Career Office (Chemistry 340) or e-mailed to Kevin Strickland at Kevin.G.Strickland@ttu.edu.
