2.2 Communications with TTUS Personnel

Unless as provided in this RFP and as otherwise necessary for the conduct of existing TTUS business operations, Proposers are expressly and absolutely prohibited from engaging in communications with TTUS personnel who are involved in any manner in drafting of the RFP, in the review or evaluation of the Proposals, in selection of a Contractor, or negotiation or formalization of a Contract. If any Proposer engages in conduct or communications that TTUS determines is contrary to the prohibitions set forth in this section, TTUS may, at its sole discretion, disqualify the Proposer and remove the Proposal from consideration.

2.3 Proposal Requirements

2.3.1 The Proposal must contain all the following components in the following order:

- Background of the Proposer;
- Proposer’s response to the Scope of Work;
- Proposer’s responses to the Proposers Questionnaire;
- Schedule of costs and fees;
- Evidence of insurability and bonding capacity;
- Documentation supporting Proposer's qualifications including HUB certification;
- HUB subcontracting plan (required for Proposals valued at ≥ $100,000); and
- Signed Affirmation and Conflict of Interest.

2.4.1 TTUS requires that all Proposals be submitted in the TechBid system at (https://bids.sciquest.com/apps/Router/PublicEvent?CustomerOrg=TexasTech).

2.4.2 Proposals must be submitted online no later than the date and time indicated in the Schedule of Events. To accommodate any technical issues, it is recommended that the Proposer submit the Proposal at least twenty-four hours prior to the deadline for submission.

2.5 HUB Subcontracting Plan

TTUS has determined that there (select one) are subcontracting opportunities or that there are not subcontracting opportunities. If TTUS determines that there are subcontracting opportunities, the Proposer must include a HUB subcontracting plan even if the Proposer intends to self-perform. The required supporting documentation must be submitted with the HUB Subcontracting plan. If TTUS determines there are not subcontracting opportunities, no submittal is required unless the Proposer discovers opportunities to subcontract, then a subcontracting plan must be submitted. The Proposer will receive evaluation points for (1) the Proposer’s Texas certification as a HUB (2) the percentage of HUB subcontracting use proposed on the Contract and (3) second and third tier HUB subcontracting use. TTUS is relying upon Proposer’s expertise to fully identify subcontracting opportunities that best align with the TTUS organization and this RFP. Proposers who intend to subcontract are responsible for identifying all areas that will be subcontracted.

For assistance with preparation of the subcontracting plan, email techbuy.purchasing@ttu.edu.

If a properly submitted HUB subcontracting plan contains minor deficiencies (e.g., failure to sign or date the plan, failure to submit already-existing evidence that three HUBs were contacted), TTUS may contact the Proposer for clarification to the plan if it contains sufficient evidence that the Proposer developed and submitted the plan in good faith.

HSP forms can be found at http://www.depts.ttu.edu/afism/AFISMFormRepository/ProcurementDept/forms/HUB-Merged-Forms.pdf

TTUS’s HUB Goals are:

(1) 11.88 % for heavy construction other than building contracts;

If the Proposer takes exception to any of the terms or cannot agree to be bound by all terms, TTUS, at its sole discretion, may disqualify the Proposal from consideration.

2.10 Right of Rejection

A Proposal consisting of only alternate Goods or Services (i.e., a Proposal that offers Goods or Services different from those requested by this RFP and is not otherwise invited) may be considered non-responsive by TTUS and is subject to rejection. TTUS shall reject a Proposal if the financial Proposal was not arrived at independently without collusion, consultation, communication, or agreement as to any matter relating to such prices with any other potential Proposer. Regardless of the time of detection, TTUS shall consider any of the foregoing prohibited actions to be grounds for Proposal rejection or Contract termination and may result in debarment of the Contractor from future TTUS Solicitations.

2.11 Binding Effect of Proposal

Unless otherwise agreed in writing signed by the Managing Director of Procurement Services, each Proposer agrees to and shall be bound by the information and documentation provided with the Proposal, including prices quoted for Goods or Services. If the Proposer marks the entire Proposal or substantive portions of the Proposal as confidential, TTUS in its sole discretion may declare the Proposal non-responsive and reject it.

By submitting a Proposal, the Proposer hereby grants a limited license to reproduce the Proposal in order to conduct an evaluation and to comply with any legal requirement including but not limited to the Texas Public Information Act and Texas Legislative Budget Board requirements.

2.13 Extension of Pricing and Terms and Conditions

Proposers are requested to extend the pricing and all terms and conditions offered in their Proposal to other Texas state agencies, as well as other State of Texas institutional agencies. In the event an Award is made, the individual agencies may or may not elect to use the Contract.

2.14 E-commerce

TTUS utilizes the SciQuest e-commerce platform to issue purchase orders and process invoices. The Contractor agrees to comply with the TTUS requirements for participating in electronic commerce.

2.15 Withdrawal or Modification

No Proposal may be changed, amended, or modified after it has been submitted or filed in response to this Solicitation, except for obvious errors or as part of the negotiating process which are approved by the Managing Director of Procurement Services. However, a Proposal may be withdrawn and resubmitted any time prior to the time set for receipt of Proposals. Modifications will be allowed in the TechBid website until the deadline for Proposal submittals. No Proposal may be withdrawn after the submittal deadline without approval by TTUS, which shall be based on Proposer’s submittal in writing of a reason acceptable to TTUS.

2.16 Risk of Loss, Damage, or Delay

Proposer acknowledges and agrees to release and hold harmless TTUS, its campus components, Board of Regents, officers, employees, agents, and personnel, from and against any and all claims, liability, damages, and costs, including court costs and attorneys' fees, arising out of or pursuant to a failure to successfully submit or deliver the Proposal to the Procurement Services at TTUS, as detailed in this RFP.

6.6 Warranties

The Contractor warrants and implies that Goods delivered to TTUS under the Contract are merchantable and fit for use for the particular purpose set forth in the Contract. The termination of the Contract, under any circumstances whatsoever, shall not effect or relieve Contractor from any obligation or liability that may have been incurred or will be incurred pursuant to the Contract and such termination by TTUS shall not limit any other right or remedy available to TTUS at law or in equity.

If such audit reveals any overpayment to or underpayment by TTUS, TTUS shall promptly pay the amount to the Contractor.
