RE: Strategic Planning Forums

The Strategic Planning Committee will hold two forums next week to present the tentative strategic priorities, goals, and strategies of the “next century” strategic plan. This is an opportunity to provide feedback to the committee. The forums will be held Thursday, April 20th from 4 to 5 pm in MCOM 67, and Friday, April 21st from 1 to 2 pm in BIOL 100.

Please consider attending one of these forums as we work together to define the future of Texas Tech University.
