

TEXAS TECH UNIVERSITY
Office of the Provost

December 4, 2018

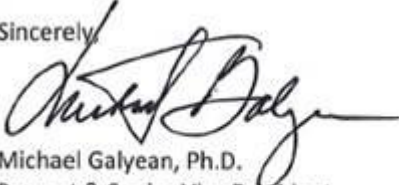

Dear TTU Faculty and Administrative Staff,

We are pleased to inform you that the reporting deadline for Academic Year 2018 Outreach and Engagement activities via **Raiders Engaged** has been extended to December 17, 2018. If you have already submitted your projects or activities, we thank you for your participation. If you have not done so, we invite you to report any teaching, research/creative, or service activities that you conducted for or in partnership with external communities. "Communities" are any outside groups or individuals that you may have shared your discipline-based knowledge and expertise with to meet a local need or address a larger societal issue. The Introductory Page of **Raiders Engaged** provides further definitions and specific examples of university projects and activities that are typically considered Outreach and Engagement. If you have any questions in this respect, please feel free to contact Dr. Birgit Green, Director of University Outreach and Engagement (e-mail: birgit.green@ttu.edu; phone: 806-834-2308).

Raiders Engaged now provides the option to download and edit data from previously reported projects or activities without having to reenter the information. You now also have the option to prepopulate certain survey fields with data from CAYUSE if you are reporting on a state or federally funded engagement project or activity. The Office of Planning and Assessment will upload faculty responses into Digital Measures accounts for annual reporting purposes.

If you encounter any technical issues with the survey, please contact Ms. Ashley Pruitt at the Office of Planning and Assessment (e-mail: ashley.pruitt@ttu.edu). For Digital Measures related questions, contact Ms. BettyAnn Thomas (e-mail: bettyann.thomas@ttu.edu).

Thank you in advance for completing the survey and, thereby, helping Texas Tech gain valuable information in support of its Outreach and Engagement strategic goals. Please click [here](#) to access the **AY'18 Raiders Engaged** survey!

Sincerely,

Michael Galyean, Ph.D.
Provost & Senior Vice President

John Opperman, Ph.D.
Associate Vice President, University Outreach & Engagement
