**ADVISING**

Division Offices presented at the Annual NACADA Conference this October • Community College and Transfer Relations (CCTR) met with Houston Community College, Richland College, and Irving ISD to begin the process of creating articulation agreements for select TTU programs • University Advising met in-person with over 1016 students during the fall semester • University Advising hosted Roundtable Discussions for students in the Pre-Law Program, as well as, for students going through the Discovery! process • CCTR hosted a Transfer Visit Day in November, at which 157 students received one-to-one academic advising.

**RETENTION**

RaiderReady (RR) awarded ten scholarships to outstanding first-year students who were nominated by their faculty members • Currently, RR is working to further expand cohort offerings of the course to Pre-Law students, Biology Majors, and students enrolled in an introductory biology course for non-majors • Pre-Professional Health Careers (PPHC) kicked off their Pre-Health Mentor Program on September 18th. This program matches pre-health students with mentors from TTUHSC • Retention Analytics and the UESA Leadership has rolled out the Education Advisory Board’s Student Success Collaborative. The university community will use this tool to provide better support to academic advisors through a dashboard utility • Retention Analytics sent 2210 text messages to students who did not have holds on their accounts, encouraging registration.

**ENGAGEMENT**

The Center for Active Learning and Undergraduate Engagement (CALUE) staff have planned alternative service breaks that will be offered during winter and spring breaks. The winter service break occurred Dec. 10 - 14 in San Antonio • The Teaching, Learning, and Professional Development Center (TLPDC) and the Office of the Provost launched the NBC Learn application in November. This service provides faculty members with thousands of multimedia content for use in class • Academic Testing Services (ATS) served as a consultant for Qatar University as they work to build and create a testing center modeled after TTU. Additionally, ATS partnered with California Miramar University in Kenya to administer the TSI exam to a student applying to the TTAP program • University Advising hosted a practice LSAT for pre-law advisees in November • The TLPDC conducted 88 teaching consultations as a part of the TEACH Program • The TLPDC partnered with various campus partners to host a Chair Academy session titled, “What Chairs Need to Know about Title IX and EEO Policies.”
