Fulgham’s Inc. (FI) and our licensing company; National Tree Preservation, Inc. (NTP) specializes in root and soil restoration of mature high value trees using our patented process. FI’s patented process and technology is currently recommended in many situations by the Mississippi Forestry Commission and the Mississippi State Extension Service. FI and NTP currently have restoration projects in ten states spanning from Iowa to Georgia. Our clients include high profile sporting facilities, colleges, cities, and many landowners.

We have created a job position and will begin to interview job candidates this month. If you know of anyone, please pass the word along.

Position Description: The position we have created is for a Field Technician/Mechanic. Within this position; the employee will be expected to thoroughly learn all aspects of our daily operation and aid in completion of sales and service. The employee will be expected to continually train as an arborist assistance and mechanic.

Desirable Employee Traits: The desired traits that Fulgham’s Inc. is looking for include but are not limited to:
1. Friendly. Our main job is to be a friend to our clients.
2. Passion for communicating with clients and developing long term relationships.
3. Self motivation and self management.
4. Passion for trees and outdoors.
5. Hard work ethic (this is not a 9-5 job; it is seasonal and sometimes requires long hours.)
6. Knowledge of mechanical issues and not afraid to learn to fix equipment.
7. Metal fabrication skills.
8. General carpentry skills.
9. Excellent computer skills.
10. Willingness to travel when necessary.
11. Excellent grades and positive references from former employers.

Salary:
Startup salary is based on experience certifications and license obtained. Pay increases will come with the addition of job experience, more knowledge, and more certification.

Please send resumes to David Fulgham at david@fulghamsinc.com Please call my cell number 662.255.5127 if you have any questions. I always appreciate your questions and concerns.

Kindest Regards,
David Fulgham
