Wildlife Technician

Positions open as of 01/01/2019:

Waco, TX

Austin, TX

*Do you have an appreciation for wildlife, working outdoors, trapping, hunting, or fishing?*

*Does the thought of working hands-on wherever wildlife may become a nuisance interest you?*

*Does having control over your earnings and schedule sound appealing?*

If you answered yes to any of these questions, becoming a Nuisance Wildlife Technician could be a great fit!

Trutech Wildlife Service has been setting the standard in the nuisance wildlife and pest control industry since 1984. We service commercial and residential customers across the nation and are continuing to grow.

If you are seeking career opportunities in wildlife management, agriculture, biology, environmental and animal sciences, entomology, herpetology, forestry, business, marketing, range management or sales - this career path may suit you well!

**Position Summary:**

The Nuisance Wildlife Technician interacts with their District Manager, teammates, and our call center to respond to requests for services for both commercial and residential customers.

**The Successful Candidate Will...**
