The Cliffs at Mountain Park and The Cliffs at Glassy are partnering to offer a unique internship opportunity for 2-4 individuals. The Cliffs has seven different communities covering the Upstate region of South Carolina, to the Asheville region of North Carolina. This opportunity will allow the right candidates to spend part of the summer on each course gaining experience with all warm season, and all cool season turf types. Candidates must be enrolled in a 2- or 4-year turf, horticulture, or related major.

The Cliffs at Mountain Park is a Gary Player design, North of Greenville South Carolina in the foothills of the Blue Ridge Mountains. This links style course, with the North Saluda River winding throughout the property, opened in 2013 and features Diamond Zoysia across the tees and fairways. The course also has MiniVerde Bermuda on the greens, and fine fescue rough framing each hole.

The Cliffs at Glassy is a premier private club that was built in 1991 by architect Tom Jackson and lays beautifully on top of a 3000 ft. mountain with breath taking views on 15 of 18 holes. Golf Digest ranked it the 3rd most scenic course in the country. The course consists of bentgrass greens, tees and fairways with a blend of Kentucky blue grass/turf type tall fescue rough. Should a candidate desire cool season experience in the transition zone this would be an ideal course selection.

Candidates will be involved with all aspects of the golf course operation and management during their time with The Cliffs. Candidates should be a self-motivator who takes pride in his/her work ethic and values the importance of being a team player. We want to help develop his/her skills in all areas of our Agronomy operations such as:

- Equipment operation and training
- Sprayer / spreader calibration and applications
- Crew supervision and project management
- Daily course preparation
- Irrigation troubleshooting and repair
- Moisture management
- Potential to volunteer for the Korn Ferry Tour BMW Charity Pro-Am

Benefits: Housing provided, golf privileges, uniforms provided, discounted employee meals.

Pay will be $13-$14 / hour plus OT

Position is available May 2020. Students interested in 6- or 9-month internships are also encouraged to apply.
