C.L. Butaud Wines is seeking a vineyard intern from now through the end of harvesting (early-mid September). The main vineyard site is One Elm Vineyard, south of Lubbock in the vicinity of Tahoka/New Home, with a possibility of vineyard visits in the Meadow and Brownfield areas. Varietals include Tempranillo, Syrah, Grenache Noir, Mourvedre, Cinsault, Albarino, Rolle, and Picpoul Blanc. Dedication to wine quality, a strong work ethic, attention to details, and a great attitude are of the utmost importance. Candidates would ideally have some vineyard experience or a curricular focus on viticulture/agriculture/plant sciences, such as the programs offered through the Department of Plant and Soil Science and Texas Tech.

This position will be predominantly field work with some office/lab work included. Attention to detail and familiarity with field data collection is a must. The intern will be responsible for all fruit sampling prior to harvest, reporting the vineyard data to the winemaker and vineyard owner, and assisting with vineyard operations during harvest time. The work consists of frequent labor-intensive activity in the field, including carrying up to 40 pounds at a time, sometimes in challenging conditions. Work leading up to, and during harvest consists of very early morning or nighttime hours.

Please send a simple resume to Randy Hester, Randy@CLButaud.com.
