Originated in 1923, Sunset Ridge Country Club is an exclusive 18-Hole private country club located on the North Shore of Chicago. The summer intern is an important member of our Grounds & Greens team. We are searching for a mature, self-motivated turf & ornamental professional that will listen, learn, and support. The individual must be a flexible, team-oriented person with a positive attitude and a strong work ethic. Our objective is to prepare the intern for a successful transition into an Assistant Superintendent position upon graduation. The intern will work closely with the Superintendent and his Assistants, enabling the individual to gain a full comprehension of the business of turf and ornamental management. The internship at SRCC is about learning, teamwork, and fun.

This past summer, the club successfully hosted the 116th Western Amateur Championship. Currently, we are in the process of a $3.5M Irrigation & Bunker Project. The bunkers are being restored and upgraded using the Better Billy Bunker method along with the addition of Pro Angle Sand. The irrigation system is a full replacement to the latest two-wire Rainbird IC system. For further details on the internship program, email Kyle Schwieter at kyleschwieter@gmail.com.
