Internship Opportunity – Part Time

Westover Vineyard Advising is seeking a part time intern for the 2018 grape growing season. This position will be in collaboration Fritz Westover, Viticulturist and Owner. This position is for part time contract (hourly) work with the expectation of approximately 2 full days of work per week during the season (May – September 2018). The intern will work independently and occasionally with the viticulturist to visit client sites of Westover Vineyard Advising to collect vine stress data and assist with irrigation scheduling and vineyard scouting.

Qualifications:
- Valid driver’s license & personal vehicle
- Ability to walk several miles per day in all weather conditions and possible weekend days
- Personal interest in viticulture and winegrape production and enthusiasm to help grape growers
- Effective communication skills both written and oral (English)
- Familiarity with apple iPad, and iPhone, Microsoft Word and Excel
- Must own their own cell phone (iPhone preferred)

Pay: $12 per hour plus 40 cents per mile reimbursement for use of personal vehicle.

Westover Vineyard Advising is a private consulting and education company based out of Houston, TX, owned and operated by Fritz Westover. Fritz has worked over 10 years in extension outreach and research in Virginia, Texas, and California and has experience working with viticulture interns. References are available upon request. Contact using email or phone in signature below.

Best regards,

Fritz Westover --- Viticulturist
