Access/entrance into the temporary space...

- A map to the parking area is located on the back of this notice. Take 19th St. to Boston Ave. and turn north. Go to the stop sign and take a left (this is 18th Street). Take the very first right into the parking lot; it is marked R-3 and the sign says **Psychology Clinic Parking**. On the back of this letter, please see further detailed instructions and a map of where to park. You will enter the building and head south on the first floor. Our Clinic Waiting Room is on the left side, marked room #111A.

We apologize in advance for any disruption or inconvenience this temporary relocation will cause!

Map of how to get to the temporary space and parking lot from 19th St. & Boston

The parking lot has 4 designated parking spaces for our clients, 7-10. In the inner lot, they are the first 4 spaces on the far-left side, closest to the Psychology Building. Look for the sign that reads “**RESERVED Psychology Clinic.**” If the spaces are taken up, park as close to the designated spaces as you can. For those who are looking for the university’s handicapped parking spaces, they are also indicated on the map.

If you need help in finding our parking lot and spaces, please call us at 806-742-3737.
