	Dissertation Chair:
V.	Describe any local, state, regional, national or international conference <u>presentations</u> during the past year.
VI.	Describe any conferences/workshops attended during the past year.
VII.	List publications you have had this past year.
VIII.	List all manuscripts submitted for review this past year.
IX.	List any other research and scholarly activity you have participated in over the past year (e.g., research team involvement, journal manuscript review, grant writing activity, help with data collection, etc.).
X.	Describe any therapeutic or applied professional activities you have been involved in (including practicum, and assessment experience).

Dissertation Title:

 XII. Describe any honors you received during the past year, including scholarships or fellowships received. XIII. Describe any other professional development activities, such as: A. Committee work and leadership activities B. Other service activities C. Professional organization affiliations D. Other (e.g., progress toward goals) XIV. What are your current thoughts about internship. That is, how are you preparing yourself to obtain the type of site that you hope to get (e.g., medical, forensic, counseling center, etc.). What will you do next year to help insure you are on the right track? Note: This is NOT an evaluative section. This is to help faculty and you be sure you are getting the best mentorship possible for future professional goals.	XI.	Describe any teaching and related activities (e.g., assisted a professor with a class). For any TTU courses you have taught, provide a summary of numerical ratings and the narrative feedback provided on formal teaching evaluations.
A. Committee work and leadership activities B. Other service activities C. Professional organization affiliations D. Other (e.g., progress toward goals) XIV. What are your current thoughts about internship. That is, how are you preparing yourself to obtain the type of site that you hope to get (e.g., medical, forensic, counseling center, etc.). What will you do next year to help insure you are on the right track? Note: This is NOT an evaluative section. This is to help faculty and you be sure you are getting the best mentorship possible for future professional goals.	XII.
