Scholarship Application
2015 – 2016

The Scholarship Committee in the Area of Accounting considers scholarship applications during the spring semester each year. To be considered for a scholarship, you must submit an **APPLICATION** and **TTU TRANSCRIPTS** showing all work from any other colleges and universities attended. **Failure to submit a transcript will disqualify your application.** A signed copy of the application and transcripts should be turned in into E 367 no later than 5 p.m. on **February 6, 2015**.*

The Scholarship Committee awards scholarship monies on the basis of performance and potential, not on the basis of financial need. The committee considers an applicant's academic record as primary evidence of performance and potential; secondary evidence includes admission scores, honors received, work experience, etc.

The Director of Accounting Programs will notify successful applicants by letter in February or early March 2015. Unsuccessful applicants will not be notified. Students receiving scholarships will be expected to attend the Accounting Awards Banquet on September 24th where the department of accounting will recognize both the recipients and donors of accounting scholarships.

Scholarship monies will be paid in the following academic year, conditional on the awardee continuing in good standing as an accounting major at Texas Tech University.

It is a Class B misdemeanor to file a false statement.
