explore. dream. discover.
International Organization and Management is a 12 day traveling program in Barcelona, Spain; Paris, France; and London England. This program will combine company visits, various cultural activities, and excursions to give students a deeper understanding of the world as well as complete an upper level business course. The academic component of the program will include company visits to major European companies as well as local government agencies and institutions. Walking tours in these major European cities will help orient you to the riches of the city while excursions will take you to places of great historical and cultural importance.

“Studying abroad has greatly changed the person I am. Because of this experience, I have become passionate about traveling and have a desire to learn and emerge myself into new cultures.” Samantha Bellantone

“Studying abroad is truly one of the best experiences I’ve ever had. It takes a lot to go out of your comfort zone and explore the world away from home, but if you get the chance to do so, take it. I don’t regret a second of the time I spent in Spain, except not staying longer.” Yazmin Lopez
