Career Management Center™

The Rawls Career Management Center (CMC) cordially invites you to join us as a corporate sponsor for the 2019-2020 academic year. Your partnership will help us prepare the best students possible for your recruiting needs!

The Rawls CMC Corporate Sponsor Program is an opportunity to enhance your company's presence at the Rawls College of Business, as well as support valuable Career Management Center programs, such as networking events, resume reviews, interview preparation sessions, and more. In addition, your participation as a corporate sponsor helps to send our staff to annual conferences so we can ensure we are providing cutting-edge services and up-to-date advice to our students.

The Corporate Sponsor Program is specifically designed to strengthen your company's brand awareness within the Rawls College of Business. Your participation will include a number of benefits, such as priority on-campus interviews, recognition at CMC events, Employer Spotlights on our website, social media posts highlighting your recruiting efforts, and much more! Please see the enclosed details for all the benefits received at each sponsorship level.

The Rawls Career Management Center is committed to providing students and alumni with career development tools that will prepare them for lifetime of professional success. We look forward to our partnership with you!

If you are interested in participating, or have any questions about the program, please feel free to reach out to me at the contact information below and I will be happy to assist you! The deadline to join the 2019-20 Corporate Sponsor Program is July 1, 2019.
