

TEXAS TECH UNIVERSITY
Rawls College of Business

Lyons School of Accounting™

BACHELOR OF BUSINESS ADMINISTRATION IN

ACCOUNTING

Would you consider yourself organized, inquisitive and analytical? **If so, an accounting major may be for you!**

By studying accounting, you will learn how to create, interpret, and analyze financial information, while developing the transformative skills needed to guide individuals and businesses, nonprofits and government organizations toward stronger financial futures. Our accounting degree provides a solid educational foundation for entry into a wide range of accounting careers and prepares you to pursue graduate or advanced professional education.

Accelerated BBA to MSA

Our Accelerated Bachelor's-to-Master's in Accounting program allows you to earn both undergraduate and graduate degrees in a cost-effective and timely manner. While working toward your Master of Science in Accounting, you can count approved graduate coursework toward your undergraduate degree, allowing you to graduate with both degrees in as little as five years.

Meet the Firms

Each spring, we host Meet the Firms, an on-site recruiting event attended by the top public accounting firms in the country. Third-year accounting students have the opportunity to interview for internships for the spring or summer semester following their (senior) year, potentially turning into a full-time offer.

CONCENTRATIONS

- \ Audit
- \ Tax

**Students pursuing a concentration must be part of the Accelerated BBA to MSA program.*
