TUTORING EXPECTATIONS

*In order for tutors to effectively assist students, students should attend class, read books/notes/articles, and attempt to do assignments before asking to see a tutor. *(Tutoring is not a substitute for missing class.)*

*Students and tutors are expected to follow all TTU policies and procedures and must engage in academic integrity. Therefore, tutors do not assist with graded quizzes or tests.

*Check-in with the front desk if you would like to meet with a tutor.*
