From: Presidential Search Committee

As you are aware, a Search Committee has been appointed by the Board of Regents to screen applications and nominations for President of the University. An advertisement for the position has been placed in the Chronicle of Higher Education, and letters soliciting applications and nominations have been sent to various universities and colleges throughout the United States in an effort to establish a broad base for the solicitation of outstanding candidates.

The Committee, however, recognizes that a valuable source of information regarding qualified candidates is the faculty of this University. We wish to take this opportunity to inform you that we welcome nominations and applications for the position. Applications and nominations with supporting information should be sent to:
