III. Remarks

President Haley spoke to the Senate. She emphasized the unique attributes of Texas Tech, the capabilities and opportunities for interdisciplinary research, the need to represent Texas Tech strongly in the coming Legislative session and the importance of strong and positive communications through channels on major issues. She reported that new titles of Vice President for Governmental Relations and Vice President for Legal Counsel
Will be proposed to the Board of Regents at their November meeting. No salary increases will accompany these changes in titles.

Vice President for Development Colette Murray reported that the Enterprise Campaign, which closed August 31, exceeded the total goal of $60 million, reaching $75.3 million. All but two of the major goals were exceeded. The two which did not reach target levels were $40 million for new endowments; actual amount was about $30 million. Endowments for student scholarships did not reach target. The other goal not reached was for construction for a building for the Southwest Collection and for renovation of the Ex-Students Association building. Future development efforts will put increased endowments for student scholarships as first priority. Vice President Murray stressed the need to coordinate development efforts to increase donations and reach goals. She noted that $20 million of Enterprise Campaign donations came from Lubbock County. She also reported on the status of the presidential search committee process and encouraged continued nominations from the faculty.

Executive Vice President and Provost Haragan reported briefly on proposed admission standards and implementation. He discussed the issues to be brought to the coming Faculty Convocation in November.

Assistant Vice President for Computing, Thomas Newman, reported in some detail on the proposed admission standards and on some projections of their impact on enrollment. His complete report is in the Senate office.

IV. Report on bylaws revision

Senator Mathis, Chair of the ad hoc committee to review Senate Constitution and Bylaws, discussed the bylaws revisions proposed. These proposals were distributed with the agenda of the October 12, 1988 meeting. Additional suggestions from the floor will be included in the proposal to go to Senators before the November meeting, when revisions will be brought to a vote. No changes are proposed for the Constitution.

V. Request to consider changes in criteria for Horn Professors

Executive Vice President Haragan had requested that the Senate consider and recommend to him whether or not faculty members holding endowed chairs could also be considered for Horn Professorships. It has been proposed that they be excluded. Senator Reid discussed the proposal. Senator Strauss moved that the request be referred to the appropriate Senate committee. (The question has been referred to the Faculty Status and Welfare Committee.)

VI. Other Business

Senator Margaret Wilson introduced an item of concern regarding an amendment to the Texas Constitution that will appear on the November ballot. This proposes to allocate one percent of state retirement fund balance to a venture capital fund.

Senator Payne pointed out vacancies on study committees from some Colleges. Senate President Stoune stated that he would work with the Committee on Committees to see that these vacancies were filled.

Meeting adjourned at 5:50 p.m.

Respectfully submitted,

Mary Mathis, Secretary 1988-89
AGENDA ITEM II.

Senator Reid's Report on the Academic Council Retreat at Junction October 9-11, 1988

Topics discussed at the retreat were:

1. Implementation of undergraduate admissions standards
2. Implementation of the TASP and required remediation
3. Implementation of the General Education Curriculum
4. Academic recruiting and scholarships, fellowships
5. Research planning

The topic papers are available in the Faculty Senate office.
Reasons for proposed revisions

Section 2.

To insure that the President feels secure in his faculty position and is not inhibited by perceived or overt pressures relative to tenure consideration in Senate leadership.

Section 3.

To formalize the Vice President's role as Senate representative to the Academic Council.

Section 4.

1. To reflect the actual location of these documents in the Faculty Senate office.

2. To formalize the Secretary's role as Senate representative to the Administrative Council. Both officers, serving with the President as the Agenda Committee, can help coordinate information and actions from the two Councils for Senate consideration and action.

Section 6.

1. and 2. To insure committee establishment and availability during the summer, if needed, and to begin the following fall term smoothly.

3. To help insure continuity and a smooth and expeditious start to the fall term.

Section 7.

To state meeting date establishment more generally and to allow meetings to be earlier as well as later than the second Wednesday.

Section 8.

To accommodate absences from any called meetings during the summer. Recent summers have shown the importance of Senate activity and oversight during the long period from the first Wednesday in May (usual last regularly-scheduled meeting) to the second Wednesday in September, a period of 18-19 weeks. However, many faculty appointments and faculty commitments prevent attendance at called Senate meetings in the summer.

No business shall be transacted unless a quorum is present and continues to be present at the meeting. A majority of the duly elected and qualified senators constitutes a quorum. In the absence of a quorum the President may only make announcements of an informative nature, rule on the existence of a quorum, and recess once for a short period to attempt to secure a quorum.

Section 8. Vacancy of Senatorial Position
