

Faculty Senate Meeting #309, November 9, 2011

Straw Poll on Carol of Lights

Straw Poll: Senator Tate offered the motion that it is the sentiment of the Faculty Senate to move the Carol of Lights to one week earlier so as not to interfere with the regular scheduling of final exams. The informal motion was seconded by Senator Held. The motion passed. Senator Stodden and FS Vice President Sam Bradley agreed to convey the sentiment expressed in the motion to the calendar committee at tomorrow's Academic Council meeting.
