I am running for office because I am interested in serving the students of Texas Tech University and leaving this university better than we found it.

College	Name	Statement
Visual & Performing Arts	Matthew Ramirez	As an incumbent with 3 terms of experience, I've seen firsthand the impacts our SGA has on our students and campus. I want to continue to serve the people of the TCVPA and work with other representatives to make Texas Tech safer and stronger through the initiatives of infrastructural legislation and the input of students within our colleges.
